# Architectural visualisation of the new UP MS campus

# The main building of the Medical School

# The Janus Pannonius Clinical Centre

The entire clinical building complex is simultaneously able to care for a total of 367 inpatients. Almost half a million people use the health services provided by the departments of the Clinical Centre of UP annually.

# Béla Entz Clinical Educational Centre

Can accommodate 375 people, the centre serves primarily the graduate training.

# The Szentágothai Research Centre

With the most advanced instrumentation and high-level knowledge base, the centre with 24 research teams provides an excellent basis to become Hungary's and even Central Europe's leading research centre.

# Medical SkillsLab

Participates in developing the manual skills of graduate and postgraduate medical students and doctors by using high-quality domestic and international high fidelity simulators, 3D technology equipment, and innovative demonstration tools.

## The Ancient City Walls

## The Széchenyi Square (City Centre)

## The Cathedral

## Festival at the Széchenyi Square

# University Library & Knowledge Centre

The Pécs University Central Library, the Csorba Győző Library, the Ferenc Benedict Legal Library and the Economic Public Library is housed on seven floors of this modern, imposing building.

# Kodály Centre / Concert Hall

The Kodály Centre is Hungary's most beautiful and best acoustic concert and conference building, which was completed in the fall of 2010 as part of the European Capital of Culture 2010 program.

# The Zsolnay Cultural Quarter

Rebuilt in the framework of the European Capital of Culture 2010 program. The former Zsolnay factory in Pécs awaits visitors to the new cultural part of the city.

# Graduation Ceremony

# Thank you for your attention!

# See you in Pécs!
